REV. LYNN'S CONTACT PHONE NUMBER

The phone number 613-640-9615 is no longer in service. The provider and the phone plan have been bought by Rogers, and it has become more expensive to the point that it is not worth maintaining as a separate phone. Please use Rev. Lynn's personal cell phone, 519 - 276 - 9019 and please add to your phone's "contact" list, otherwise it will come up as "Stratford". Thank you!

*On the 7th day, God rested.
And our Wardens need a rest as well!*

Our Church Wardens work very hard all week, taking care of the many tasks involved in managing the building and finances of our parish. On Sundays, they need a break, so that they can be nurtured by worship and fellowship.

If you have any business you wish to discuss with our Wardens, please call or email them during the week.
